CAREER OBJECTIVE

"Looking for a dynamic and challenging work environment to utilize my skills and develop my career and take the company to the next level"

TECHNICAL QUALIFICATION

- Pursuing Bachelor of Computer Applications 3rd year
- Institute : Dr. Virendra Swarup Institute of Computer Studies
- Academic Year : 2021-2024
- University : Chatrapati Shahu Ji Maharaj University
- CGPA : 7.15

ADDITIONAL TECHNICAL SKILLS AND WORKSHOPS

- Practical and adequate knowledge of C, C++, Python, and OOPS.
- Participated in a training program on Personality Development & Soft Skills at Dr. Virendra Swarup Institute of Computer Studies.

PROJECT

Calculator

Objective-: Created a basic calculator application using C++ that allows users to perform basic arithmetic operations such as addition, subtraction, multiplication, and division. The application should have a user-friendly interface and support both decimal and scientific notation.

Bill Generating Software

Objective-: The software is created using Python's Tkinter and MY SQL. Its primary purpose is generating bills and storing customer details in the database. The software can be used in various shops to generate bills and also can be used for storing customer details so that we can analyze the data for sales improvement.
